

Catalina is set to extend a 6-month Facility Use Agreement with Club Zeus, a new 501c3 organization that hosts social events for Special Needs adults and teenagers 17 years and above. This event is growing in popularity at its new location in CUMC's Fellowship Hall. The event occurs the 2nd Saturday of each month (except August, TBD) and includes dinner and dessert, speed friending, karaoke, and dancing with a live DJ, amazing sound, and lights. Volunteers are always needed, so if you're inclined to see Catalina active in community outreach, consider a Saturday evening filling your soul with innocence and goodness you can't begin to imagine! The next event is scheduled for June 8, 2024, from 6 - 9p.
